Buncombe County Seeking Support for Isolation and Quarantine Resources

Good afternoon lodging industry partners,

Our partners at Buncombe County are seeking your support for Isolation and Quarantine resources. Please review the requested parameters below and contact Buncombe County's Preparedness Coordinator Fletcher Tove directly at Fletcher.Tove@buncombecounty.org if you can provide assistance.

Seeking support for Isolation and Quarantine Resources:

- *single occupancy rooms with internal bathroom facilities*
- *preferably no shared air space with other units*
- *preferably rooms with a direct exit outside*
- *preferably rooms at the end of a wing*
- *rooms will not be turned down during occupancy*

Request for room may be up to 14 days, understanding some circumstances may extend that request by a few additional days. Public Health will coordinate and supply all needs such as food and toiletries. Please know that Buncombe County will implement activities and provide support to ensure the safety of your staff and other patrons.

You will have the direct support from the Public Health Director, Medical Director and Preparedness Coordinator. Buncombe County will not be sharing any information about these arrangements with the Media. An MOU will be developed to address the expectation and confidentiality of the occupant.

Thank you for the consideration.

Regards,
