Join Explore Asheville on Wednesday, May 27 at 3PM for a Partner Webinar: The 'Asheville Cares' Stay Safety Pledge

How do businesses communicate their compliance with public health recommendations to keep customers and guests safe? In return, what responsibility do customers and guests have in following safety precautions when they patronize a local business?

Communicate a shared commitment to safety with the [Stay Safe Pledge](#), designed by Explore Asheville in collaboration with local industry partners.

At this webinar, we'll talk about elements in the Pledge Toolkit that can help you maximize the value of the Pledge, which includes versions for Black Mountain, Weaverville, Biltmore Village, and other municipalities in Buncombe County. (There's even a generic version for use outside of Buncombe.)
