Can we help you get the word out?

Greetings,

Explore Asheville is committed to supporting our industry partners, and we've created a [Together in Spirit microsite](#) on ExploreAsheville.com to help connect customers to your business.

We understand things may be changing rapidly with your **Food & Beverage business offerings and hours of operation** – so we've created a [simple form](#) for you to share your updates with us so we can then share them with the public.

PLUS, your information will also be shared on the City of Asheville/Buncombe County's [Food Resource website](#) and on Asheville Independent Restaurant Association's (AIR) [takeout & delivery website](#) for AIR members.

Help up help you get the word out!

1. Review the [Dining Options page](#) to ensure your business information is correct.
2. If you have any changes, complete this [short form here](#).
3. Your information will be updated within 24-48 hours.

We will send a weekly reminder to submit a new form in case things change with your operations. If you do not wish to receive the weekly reminder, please reply to this email with "opt-out".

Thank you for being a part of what makes our community special!
