

TOURISM PRODUCT DEVELOPMENT FUND (TPDF)

The Tourism Product Development Fund comes from one-third of the occupancy tax paid by visitors who stay overnight in Buncombe County in commercial lodging facilities including hotels, vacation rentals and bed and breakfast inns. Since the fund's inception, the Buncombe County Tourism Development Authority has invested more than **\$50 million of occupancy tax revenue to support 39 community projects**. Many of these projects would not have been possible without it.

The TPDF has funded several infrastructure projects, including:

- **\$7.1 million** for City of Asheville Riverfront Redevelopment
- **\$22 million** in total for City of Asheville-owned projects
- **\$6.75 million** to Buncombe County for the Enka Sports Complex
- **\$8.14 million** for Town of Woodfin's Greenway & Blueway
- **\$2 million** for Pack Square Park
- **\$5.675 million** for the Civic Center (now known as Harrah's Cherokee Center – Asheville)

Projects supported by Buncombe County TDA through the Tourism Product Development Fund

- African American Heritage Museum at Stephens-Lee - \$100,000
- African American Heritage Trail - *Staff support & project implementation*
- Asheville/Buncombe Wayfinding - \$1,800,000

TOTAL - 39 Projects	>\$50 Million	

* In lieu of a TPDF grant, the BCTDA committed to provide dedicated staff and funding for the development of the African American Heritage Trail.

** For-profit entities are no longer eligible for TPDF funding.

*** The City of Asheville was originally awarded a total of \$1.7 million in the 2015 cycle. The city withdrew the Beaucatcher Greenway from the scope reducing the award by \$975,000.

SPECIAL NOTE: Buncombe County Tourism Jobs Recovery Fund

To help local businesses begin to recover from the pandemic and save jobs, legislation signed into law in May 2020 by Gov. Roy Cooper allowed the Buncombe County TDA to appropriate \$5 million from unallocated monies in the Tourism Product Development Fund to establish a one-time emergency relief grant program. By the end of June 2020, a total of 394 local small businesses and nonprofits that provide a direct visitor experience were awarded grants of up to \$50,000 through the Buncombe County Tourism Jobs Recovery Fund to help safely restart businesses and support nearly 4,800 jobs. One year later, 97% of grantees were still in operation.
