**ABOUT EXPLORE ASHEVILLE:** Our team helps to create and sustain a vibrant tourism economy by attracting overnight visitors and expanding the customer base for local businesses. We work on behalf of the Buncombe County Tourism Development Authority (BCTDA) to support local tourism partners including attractions, lodging, retail, recreation and the arts.

Nestled in the highest mountains in the East, Asheville is a hip, artsy destination with Southern flare and a welcoming nature. A vibrant, eclectic downtown featuring art galleries, farm-to-table and independent restaurants and a thriving music scene beckons visitors and residents. America's favorite scenic byway, the Blue Ridge Parkway winds its way through Asheville to Mount Mitchell, the highest peak in the East, about 20 miles northeast. Biltmore, America's largest home is located here. With surprises around every corner – from a spontaneous drum circle, avant-garde theater, brew pubs, chocolate lounges, art that inspires the soul, to lush mountain peaks with biking trails, hikes, zip lines and whitewater, Asheville is a destination with a style and rhythm all its own.

With over three decades of focused promotion, Asheville has become a top destination for travel, earning Lonely Planet's 2017 #1 Best in the US Destination designation, among many accolades. Explore Asheville promotes the destination through out-of-market advertising and other marketing, public relations and sales initiatives, resulting in approximately 3.8 million overnight leisure visitors each year and a tourism economy that generates nearly \$3 billion of annual economic activity in Buncombe County. The success of the tourism sector has been a big part of the economic vitality of Asheville, fostering new businesses of all kinds — including many new hotels that will generate additional customers, jobs, and millions of dollars of property and sales taxes.

We value teamwork, excellence and camaraderie. Qualified candidates are invited to apply to join our accomplished and dedicated team.
