

# Notice to Accommodations Guests

Buncombe County issued a Supplemental Declaration of a Local State of Emergency (herein "Order") in response to the coronavirus and COVID-19 pandemic, and in response to the declaration of emergency issued by the State of North Carolina. The Order is currently in effect. The Order prohibits paid lodging operations in Buncombe County, including hotels, bed and breakfast establishments, campgrounds and cabins, and homestay and short-term rental operations from offering or providing accommodations to guests for non-essential purposes. The Order permits work-related accommodations for persons employed by or supporting essential businesses.

We apologize for any inconvenience in this stressful situation. By following the County's Order, we hope to resume normal operations sooner rather than later. Thank you for your cooperation and understanding.
